DEDICATION

In appreciation of the fine athletic record Red Lion High School has achieved during his ten years of capable coaching, we the class of 1939, dedicate our annual to Charles R. Nitchkey, a grand sportsman and an inspiring friend.

FOREWORD

THE AIM of "THE 1939 LION" has been to preserve for every student an enduring and complete record of the events occuring during his high school career. That in future years he may turn to these pages and through both pictures and words relive the experiences of his high school life. If we have succeeded in this, we feel that the task we have completed has been worthwhile.

LION STAFF

SHORT lived though it be, the term of those chosen to edit the senior annual is well crowded with work. It is during these few months that pictures are taken, characterizations of seniors and faculty written and activity write-ups completed. Bids are considered, budgets are made, senior polls are conducted and the entire publication is checked and rechecked to detect the slightest errors.

No amount of time or effort was spared in performing these duties in order to produce the best book possible. It is our unbiased opinion that, considering the financial limitations, this year's Lion far surpasses any of those of former years.

In Memorium

Remembrance is a golden chain
Death tries to break, but all in vain,
To have to love, and then to part
Is the greatest sorrow of one's heart.
The years may wipe out many things,
But this they wipe out never,
The memory of those happy days
When we were all together.

NATIONAL SCHOLASTIC HONOR SOCIETY

OFFICERS

President.....RAYMOND ROTH
Treasurer.....VIRGINIA FRUTIGER
Chairman of Program Committee.....GLADYS MARKS

THE OBJECT of National Honor Society is to create enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in the pupils of Red Lion High School.

The four main qualifications for membership are leadership, service, character and scholarship. Some of the criteria for judging the eligible students are initiative, executive ability, influence, positions of trust held, and service to the organizations, for the school and for fellow students. Character is judged by one's dependability, industry, honesty and personality. To be an eligible candidate in scholarship one must rate scholastically in the upper third of the class.

The pupils are rated by members of the faculty with whom they meet during their school career. Fifteen per cent of the senior class and five per cent of the junior class are chosen each year.

Present members of the senior class who were elected during their junior year are Raymond Roth, Gladys Marks, Bruce Knisley, Virginia Frutiger, Geraldine Flinchbaugh, Ferne Anderson.

SENIOR MEMBERS—Ferne Anderson, Geraldine Flinchbaugh, Virginia Frutiger, Bruce Knisley, Raymond Roth, Gladys Marks, Edna Anderson, Robert Barteaux, Mary Flaharty, Jean Grim, Iona Michael, Audrey Miller, Jay Maust, Esther Hall, Richard Hively, Katherine Waltemyer, Wilma Grove.

JUNIOR MEMBERS—Ruth Grove, Richard Barshinger, Aleda Holtzapple, Sara Holly Kimbrough, Janet Keeports, Freida McPherson.

PHYSICAL and mental strength, brains and brawn, are combined qualities of those fortunate enough to obtain membership to the National Athletic Scholarship Society. Eligibility requirements to this organization are as follows: displaying of good sportsmanship at all times, a scholastic rating equal to or above the average of the institution and a varsity letter earned in any one of the major sports. There are no restrictions as to the class of the senior high school candidates as sophomores, juniors, and seniors are eligible.

To be elected a member of this society may truly be regarded as a high honor, for not all athletes are capable of attaining this distinction.

James Sheffer, Arthur Young, and Raymond Kopp are the members who were elected last year.

Robert Barteaux, Clair Flinchbaugh, Dale Gemmill, Dale Gipe, Quentin Grim, William Hanna, John Hengle, Fred McGuigan, Morton Meads, Carl Myers, Bruce Overmiller, Earl Sechrist, James Sheffer, Stewart Stabley, Roger Taylor, Arthur Young.

THE SPIRIT of the class of '39, as well as the splendid cooperation given by both casts and student body, all added up to two splendid productions, the junior play, "Here Comes the Prince," and the the senior production "Girl Shy." Both presentations played before capacity audiences.

Being under the able instruction of Miss Beulah Hall and Miss Estella Hoffman, the Junior play witnessed the finale of Miss Hoffman's directing career. So to Miss Hoffman we wish to extend all due gratitude for capably handling our play as well as former junior plays. The capability and patience of Miss Mary E. Farlling and Miss Dorothy Strine as directors, also added to the success of the senior play.

PHILATELIC SOCIETY

OFFICERS

President ..... DALE ZEIGLER
Vice-President ..... DONALD ROYSTON
Secretary ..... ERLENE SEVIS
Treasurer ..... ELI SLIVER

ONE OF THE most active organizations in the Red Lion High School is the Philatelic Society, celebrating its second birthday anniversary this year. The club, sponsored by Raymond Barnhart, has made several innovations concerning its schedule. Stamp auctions, building of a club library and a visit to the Baltimore Philatelic Exhibit on April 29, are only a few of the changes introduced into the regular program.

The society also conducted an exhibit of its own in conjunction with the science and art departments, at which the collections of both the members and patrons of the club were shown. For collections of merit, certificates were awarded.

These few items besides the regular program which includes studies of various stamps, sending for new stamps and trading among themselves, composed the activities for the society for this term.

The Red L

VOL. 17 — NO. 14 RED LION, PA.,

HISTORY OF HILLTOP SHOWS VAST PROGRESS

Rises from Mimeographed Sheets of '23 to Four Page Printed Form of '39

In the year 1937, Red Lion High School purchased a printing press, student operated, which proved to be a great aid in the publication of The Hilltop. This gave The Hilltop much distinction, for now it is one of seven who prints its own publication in Pennsylvania. When being rated in the Pennsylvania Scholastic Press Association The Hilltop was placed in a category with these other student printed publications. The result was that The Hilltop placed third. It was in that year also that the name of the school paper was changed to The Red Lion Hilltop.

This achievement was brought about by a long series of events beginning in 1923. It was in this year that the students of our Alma Mater first conceived of The Hilltop. In its natal state The Hilltop was a monthly magazine published by a small staff. The reading matter was first mimeographed but after several years the material was sent to Hanover to be printed. These magazines had each month a different colored paper cover, many having designs indicating something peculiar to that particular month.

In the year 1926, the periodical was alternately a newspaper and a magazine. However, in 1927 it was definitely made a newspaper, and was published bi-monthly. After changing The Hilltop to a newspaper, all the material was sent to Hanover for printing.

All the editions of The Hilltop from its beginning to this date, have been filed in the general office. These have proved valuable in securing records of bygone events and references to many of the alumni. Records are available of such interesting facts as those found in the issue published on the event of the dedication of the new school in 1927. This issue presents the history of the Red Lion Schools in pictures. Other issues record various activities and interesting facts concerning curricular activities of many of the Red Lion High School alumni.

Thus far, there have been eleven editors-in-chief of The Hilltop; the first was Gertrude Manifold of 1924, the last, Raymond Roth of 1939. These officers are appointed annually by the advisors to the staff. The staff is chosen on the basis of the merit system. The advisors to the staff of The Hilltop have been since its origination, the supervisor of the English Department and Professor Becker, high school principal.

Revenue for the publishing of The Hilltop was, and still is obtained from the sale of advertisements and subscriptions. The Hilltop is a very popular commodity among the students and townsfolk.

Thus it was that the Red Lion Hilltop rose from an obscure mimeographed group of papers to a newspaper which ranks high among those who are members of the various press associations.

Hilltop Ranks High In Scholastic Associations; Begins Reward System

The category in which a periodical is placed in all the press associations is dependent upon the size of the school from which it is submitted. Thus it is that the Hilltop ranks with other schools of its size, an enrollment of three hundred and eighty, in all of the associations of which it is a member.

These associations and its ranking in each are as follows: Columbia Press Association—second place, National Scholastic Press Association—ranking unknown, and Pennsylvania Scholastic Press Association—third place. The Hilltop has also recently been made a member of the Lehigh Press Association.

In addition it is a subscriber to two monthly magazines namely, "The Quill and Scroll" and "Scholastic." These periodicals contain articles both informative and interesting to those engaged in writing.

A new system of advancement has been introduced into the ordinary program of the Hilltop Staff. This improvement includes the presenting, to those members of the staff who have proved themselves worthy, a small reward. This award will be in the form of a small gold insignia, either a pin or an emblem. Only those deserving of these awards are capable of receiving them.

A list of requirements has been prepared. The recipient must have during his two years of experience contributed at least two hundred column inches of material averaging about ten inches per issue, his articles must have been submitted within the limited time, he must have been present, with certain exceptions, at all the scheduled meetings, his articles must have been of calibre equal to that of a senior high school student and last but not least he must perform his duties in a cheerful manner.

These awards will have a great deal of significance, since the merit system being employed for awarding them, not every journalist will be capable of winning one.

HIGH SCHOOL BAND

AN INDISPENSABLE exponent on the gridiron, a colorful representation of the Red Lion High School on parade, and an asset to any musical fete is the R.L.H.S. band. Willing to satisfy the ears and imagination of all music lovers are these ever ready forty.

Their regular weekly rehearsals have fitted them to supply music for all occasions. Besides their regular routine of appearances our band has broadcast over the local station, WORK. Prof. H. Richard Diehm, director, with the aid of these forty talented musicians has given Red Lion High School a band of which they can justly be proud.

GIRLS' CHORUS

THE SAME as, in that they sing, and much different from, in that it is entirely composed of girls, is this year's girls' chorus which frequently appeared instead of the Red Lion High School Glee Club. Being kept busy giving recitals, and when not singing publicly, exercising their vocal cords privately, these junior and senior high carolers made a grand showing for their Alma Mater throughout this term.

Their public appearances include the vocal numbers offered during the combined band and glee club concert on January 27 and the musical selections sung before the York County School Directors Association on February 10.

Intense practice under the direction of Prof. H. Richard Diehm, and valuable experience has made the Red Lion High School Girls' Chorus a "blue ribbon winner."

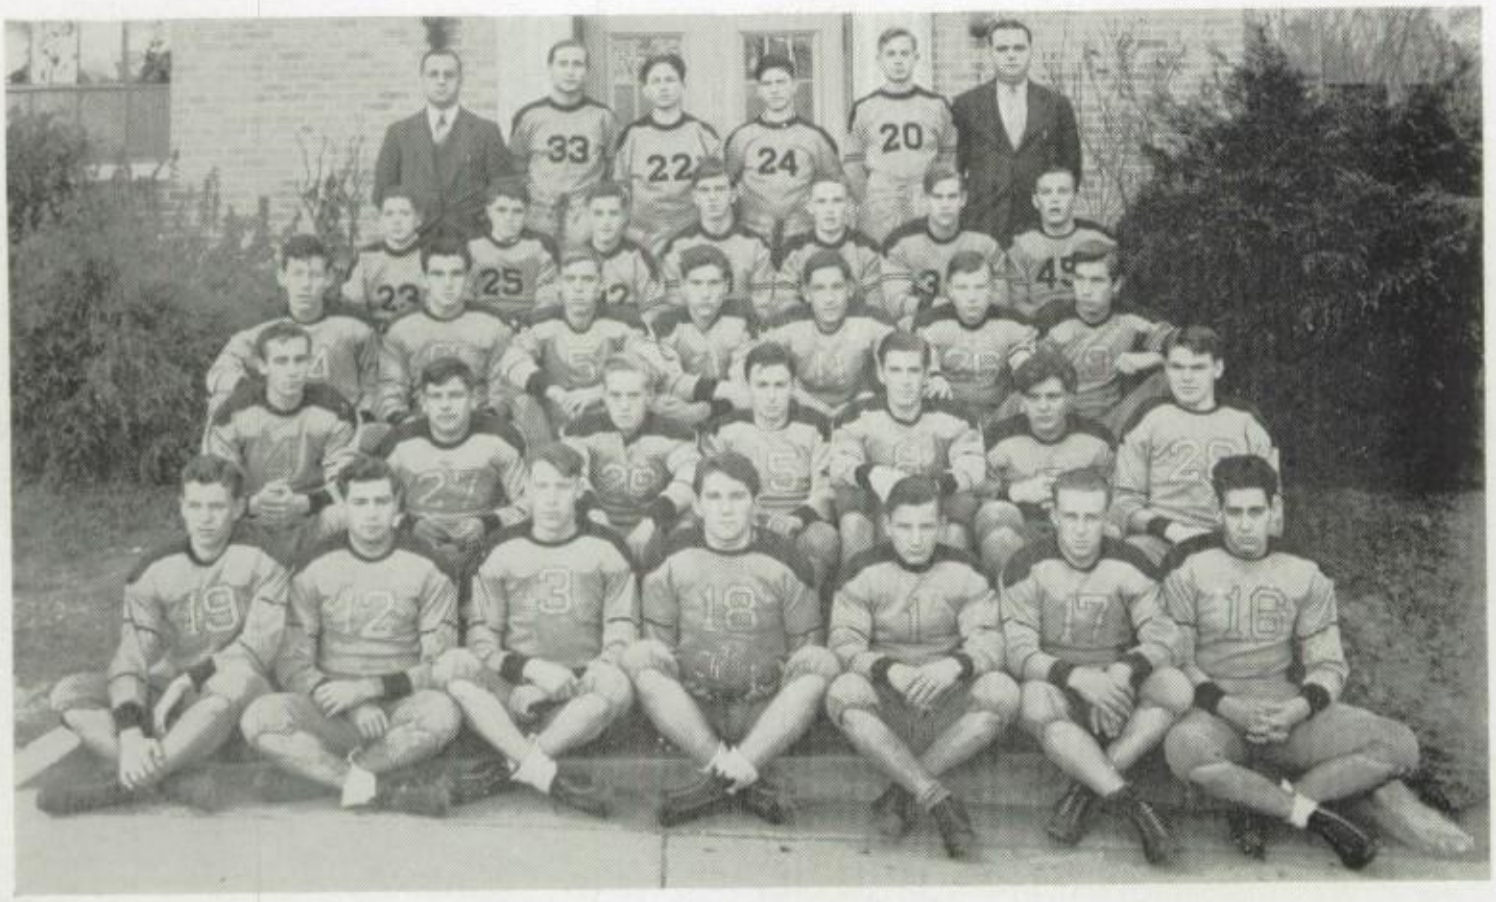
SPORTS PROGRAM

OUTSTANDING among the many phases of high school life, is the sports program. The sports chart of Red Lion High was again well filled. As a formal curtain rose, the pigskin parade marched across the stage leading a gala sports parade. Although it is comparatively young, football is gradually growing in the blood of our Alma Mater. For three consecutive years, the "Gold and Black" eleven have won the Tri-County Football Conference championship. This time, however, the third leg of the trophy gives the "Gold and Black" permanent possession of the cup, a token of honor in the football history of the Red Lion High School.

Next came the customary basketball season, in which the new elimination system known as the Shaughnessy playoff was inaugurated. Being right in the thick of the battle, the "Gold and Black" finished in the first four, placing them in the first division. Although in the end we were not on top in number of games won, it was by no means an indication that our moral success was not gratifying.

Intra-mural sports, for those less gifted athletes, also play an important part in the extra-curricular activities of Red Lion High School. Noon-time and after school are filled with the scheduled games, in season, played by both the girls and boys. Mushball, volley-ball, basketball and paddle handball are some of the sports in the intra-mural schedule.



FOOTBALL

THE RED LION 'Lions' under the able coaching of Nitchkey, Baugher, and Barnhart, gained the victory entitling them to their third consecutive championship which meant the permanent holding of the three year trophy. This year the "Gold and Black" gridmen out-scored their opponents 133-97.

The Shillington and West York games proved to be the most decisive battles. In the most exciting play of the former, Kopp, receiving the ball from Stabley, made the only score in the last sixty seconds of play. During the West York game, Springer, intercepting a pass, starred for Red Lion by making a spectacular ninety-eight yard run which ended in a touchdown.

The gridsters next season will suffer the loss of Springer, Taylor, Gipe, Morrison, Sheffer, Gouker, Grim, Stabley, Young, Hengle, and Ludwig, the senior members who helped bring victory this season. But due to the experience the juniors and sophomores received this year, Red Lion should be represented next year by a team equal to the one which carried the "Gold and Black" to victory in '38.

BASKETBALL

PACED by a quartet of seniors, namely Stabley, Hengle, Young and Ropp, Red Lion High's basketball interests were well represented in the York County Scholastic League. Having made use of the Shaughnessy play-off system, the "Gold and Black" was found in the first division of a ten game schedule, the highlight of which was a twelve point victory over the arch rival, Dallastown, on their home floor.

With eleven wins and five defeats, the '39 "Lions" gave the spectators many thrills, outstanding among which was the one point defeat by the "green invaders" from Catholic High. Other first division competition was offered by Spring Grove.

Even though eliminated from the State P.I.A.A. playoff, the Red Lion cagers presented themselves a difficult milestone to pass, amassing a total of 489 points, to the opponents' 380.

As in football, the nucleus of the squad will be removed by graduation, but there is still much material available for next year's team.

BASEBALL

THIS year the senior high school was represented by two teams, a varsity and jay-vee team. The varsity league consists of a class A division in which North York, Dallastown, New Freedom and Red Lion are entered and also a class B division which is composed of such schools as Manchester, Glen Rock, Glenville, Hellam and Dillsburg. The winner of class A plays the winner of class B to determine the champion of the league.

The additional team was added to train and develop players for the varsity of the future. Stewartstown, Delta, Lower Chanceford and Red Lion are the schools represented in the league.

In the junior high school instead of having a varsity nine, an intra-mural league was substituted. It consisted of eight teams which were coached by members of the senior high varsity squad. The entire new program permitted many more boys to derive the benefits of the "nation's greatest pastime."

TRACK

EVEN though showers and flowers are a sign of spring, track meets are the harbingers of spring at Red Lion High.

"A good start is half the race." "Never look back." Such remarks as these filled the corridors of our Alma Mater for the concluding two months of school. This year Mr. Raymond Barnhart acted as coach of the track team instead of Mr. Yoas who was the coach of former years. Being one of the sports of our school, the former track program was followed. Dual meets were held with several of the county schools.

Outstanding, however, among the many competitive contests entered, is the annual track and field meet held in May at Red Lion. Events similar to those of other years constituted the program. These events were mile relay, half mile run, 100 yard dash and the jumpers and weight events. With the usual spring inclemency in weather, many of the practices occurred in the gymnasium.

VOLLEYBALL

ALTHOUGH still in its infancy and with only three years of experimentation, volleyball seems to be taking its place among the major sports of Red Lion High School.

The team, this year, was again in district three of the P.I.A.A. competition. Paced by Ropp, the senior captain, this year's "spikers" played all their games on the neutral floor of York's Y.M.C.A. Opposition was offered by some of the finest aggregations of southern Pennsylvania, such as North York, York High, Hanover, Lebanon, New Cumberland, and Lancaster.

The elimination system was used in the tournament and Red Lion opened its season by defeating Hanover, but then was eliminated by York High. Lancaster won the championship but gave York High the privilege of representing district three in the playoff at Penn State College.

With the fifth year of volleyball coming next spring the outlook seems exceptionally favorable due largely to the expert tutoring of Galen Baugher.

MEMBERS

E. Ropp (Capt.), Roger Taylor, Robert Taylor, N. Morrison, G. LaMotte, E. Lloyd, R. Gouker, R. Kopp, E. Norris.

THE GIRLS' ATHLETIC ASSOCIATION

A LOT OF PEP, vim, vigor and love for sports, plus the necessary sixty-five points will put any senior high girl into the classification of a full-fledged G.A.A. member.

The Girls' Athletic Association offers each year an "RL" letter to the girls who have attained the required number of points, namely: a first year letter, one hundred and fifty, the second year, three hundred and twenty-five and for the chenille or third year letter four hundred and seventy-five. These points may be earned by participating in the intramural sports such as mushball, paddle handball, basketball, volleyball and tenniquoit. Points can also be accumulated outside of the school by extra hours spent in camping, hiking, skating, dancing, bicycling, horseback riding, and swimming.

Thanks to the supervision of the coach and sports directress, Miss Rachael Brinton, the "G.A.A's" this year have completed a very exciting and competitive sports year.

Senior Nonsense

"To bee or not to bee," well sting me pink if it isn't Bob Barteaux, our trumpet-blowing fool, not limiting himself to just blowing a horn.—Closely associated with bees is honey, our little Gladys Marks must have loads of it, for she's a "sweet little headache."—Although the biology book says the eagle is the strongest bird, a girl by the name of Haugh isn't doing bad.—"What this country needs is foo and not goo!" No, not a political speech, but just "Slim" Kohler voicing her views.—Noise from Room 12, the P. O. D. room. Is it a war? No, just Don Overdorff and little Audrey Miller "mixin' it up" in an argument with Mr. Frits.—"Flat Foot Floogee" and a thumb, one and inseparable, Norman Morrison to you.—While on the subject of Morrisons, see Elva Jane if you want a good impersonation of Olive Oyl.—"Sure is puttin' it down" signifies rain to some people, but to us it means a brain storm, Quentin Grim.—"Can pairs go fishing?" You'd be surprised. But just ask "Edie" and Jeannette what fishes they caught, and we don't mean salmon, either.—Watch out captain, here are those Katzenjammer Kids, Little Douglas and Dick Hively.—Blonde and blushingly inclined, comes Henry Smeltzer from Craley.—Contrary to the usual association of red hair and a fiery temper is "Glennie" LaMotte, a hustler if there ever was one.—Snap! Springer takes a picture; Crackle! Out comes the film; Pop! "Pay for these pictures."—Excelling in the art and weight class, Mark Mobley. Genius of the class described in four words piano, pen, typewriter, and candy.—"It's about time I go home and punch the time clock," is "Bud" Roth's way of saying he is going to retire before the milk man beats him to the door.—Around these yar parts we all got a guy who has a hobby of saving lives; nice goin', Wells.—While in the hobby lobby, what would '39 be without "Norey" McGinnis and her unlimited knowledge of books and libraries.—Small and slim, with lots of whim, comes "Butch" Bull "engagingly" devoted to a "ducky" lad formerly from Dallastown.—A lot of blah, a newspaper in his hands and green apparel, yes it's "Snoop" Markey, a good yegg (when quiet).—Certainly living up to the old adage of "Silence is Golden" are Charlotte Snyder, Esther Neff, Iona Michael, and Miriam Anderson.—Ever buy "Strickly Fresh Oysters?" But "Cass" Waltemyer doesn't limit herself to the sea food, she'd rather try the Strickler part of it.—Fiery tempered and chemically inclined, hopping it from Windsor, breezes "Prex" Knisely, who has been very successful in solving that mixture of brain, boyishness, and ability (G. Flinchbaugh to you).—Well, jumpin' jitterbugs, look whose prancin' round here now, yep those two little devotees of music, Wilson and swing.—Dribble, dribble, basketball weather, and in the thick of it are Jack Hengle and "Ernie" Ropp.—Chewing her gum, gabbing away and going nowhere is "Peg" Lloyd.—Fresh from the country but only two H's of the 4H club, are Wilson Hershner and Dick Hersey, the

gay cavaliers from Stewartstown.—Usually heard before he is seen, while moping along, bursts "Spike" Taylor, whose red face would make a beet hang its head in shame.—In his "solitude" sits Jay Maust deep in a reverie of solid geometry, who says it's too solid (hard).—Turning a jeer into a cheer can be accomplished by "Ginny" Frutiger, the peppiest gal this side of heaven.—Lead might have a symbol of PB, but that combination means only one combination to us, Sally's boy Pret, usually at the bottom of every prank. —"Yoe or bust" but this time it's bus, and from it emerge two of the inhabitants of that valley called Yoe, "Jit" Musser and Carl Myers.—Ross Miller's name has often taken the beating of Rose, he reminds us of that flower in only one respect, redness.—"Due to the psychological informity of rare pyromaniacy,"—just John Raub talking to himself while hitching to Windsor.—"Maestro of the muted trumpet," head of the goo society, and possessor of numerous other worthy titles is "Squirrel" Hildebrand.—Closely associated, not because he's a nut, but one of the band members, stands "Ev." Lloyd giving out on his tenor sax.—inclined so bit little a is Keeports Nolan because backward on this write we'd thought We—Jean's ambition is to someday be a nurse, but this petite 4′ 11″ lass is doing all right with that contagious smile.—Struggling through the last part of her name goes "Grammy" Hall with a pile of music to take some place.—A scout not only in the sense of boy scouting dashes Ray Haugh, for further information, watch him after a basketball game.—Sophisticated, well-dressed and persuasive are Donna Wise and Dot Keener.—Give Wilma a typewriter and she'll make the dictionary look like a miniature primer.—You may ask for a Camel but give me a Gemmill like Evelyn for she has all the pep it takes.—Quiet and agrarian-like is William Emenheiser.—Shaggin' over them thar hills from Freysville comes "Cap" Sheffer, the king of versatility.—Domestic and home-like in idea and personality is Eleanor Keesey.—The tempest might have turned into a deluge, had not Mary Kluyber controlled her temper.—Banging away at the piano keyboard sits "Turtle" Slenker, who probably has the authors of the old classics swinging in their graves.—Black hair of any man's envy has Charles Stouch.—Finishing a metamorphosis of complete change emerges "Marty" Paden who in four years, to say the least, has hibernated.—Undergoing an exposure for four years, just like his candid shots, was Merle Feltenberger.—Little in stature and big in heart, yes, Anna Sprenkle. —Last in the class roll, but not here, is Art Young, a smoothy at the art of romance.—8:31 is not a convict number but just the clocky knocking off the time as Joan Rider dashes into the room. His Ford and he go through a lot, but Karl Smeltzer still hangs on.—Hailed as "king of corn" from Freysville is "Let" Snyder.—Having much in common are Prall and Stabley.
